THE CENTER FOR OPEN HIRING AT GREYSTON

For 36 years, Greyston has been a force for change in Yonkers, NY where 1 out of every 3 people live in poverty. As one of the country's leading social enterprises, Greyston Bakery has been providing jobs to anyone who wants to work - no questions asked. Our pioneering Open Hiring™ Model helps break the cycle of poverty and creates pathways to success for individuals who are often considered unemployable.

Greyston is embarking on an ambitious new endeavor to inspire business leaders with our Open Hiring Model and teach the practice through The Center for Open Hiring at Greyston. Our work through The Center will

allow us to build on our history of inspiring and fueling a movement that promotes inclusive hiring practices in order to address implicit bias and discrimination that exists in hiring practices today.

Join us, as we celebrate more than three decades of creating opportunity for residents of Yonkers and look ahead to our increased impact through The Center for Open Hiring at Greyston. Together, we will provide jobs for anyone who wants one and create thriving communities around the globe.

Tours of Greyston Bakery available between 5:00-6:30pm by request.
